In the first of only two annual Hervey Bay Chamber of Commerce Keynote Breakfast's Australian sporting legend and corporate development expert Wayne Pearce offers more than the normal 'band aid' solution.

Get a competitive edge in today's rapidly changing business environment

Some of the world's leading business people and entrepreneurs continue to succeed in often volatile markets thanks to the help of a business coach.

While most members are aware of Wayne's 20 year career as both a professional rugby league captain and coach, for almost 10 years Wayne has combined years of corporate experience and studies in psychology to create the Wayne Pearce Advantage.

On Wednesday 27 May 2009, Wayne will share some of the secrets of his tried and tested program with members of the Hervey Bay Chamber of Commerce.

Register now to attend the first Keynote Breakfast of the year and benefit from the real world results Wayne Pearce has fuelled at major corporations such as NRMA Insurance, Commonwealth Bank, Telstra and News Limited.
