Dear valued client,

On the 28th August, with the assistance of **Sea Fm**, I am hosting a fundraiser evening at the Bayswater Restaurant and Bar. The endeavour for this evening is to raise much needed funds for displaced families in Kenya, Africa, who lost their homes during the 2008 political riots.

I recently returned from a volunteer trip in Kenya, where I visited the camp for myself and heard many of the refugees devastating stories. It is also in Kenya that I began working with an organisation that is currently aiming to raise US\$10,000 to purchase a plot of land for the refugees, as well as a maize mill which would allow these families to grow and farm their own source of food.

I have an overwhelming passion for this cause and a great desire to assist with this project aim and feel that as a community, much can be done locally to support this very important endeavour.

This is where I would like to invite **your business** to become involved in my appeal. Your business may become involved in the appeal by donating an auction item which will be auctioned off at **The Fadhili Hope Gala** event on the 28th August.

Whether it is a one off cash donation, a percentage of your business profits donated to the appeal or monies raised from the auction item donated, please be assured that all monies raised are greatly appreciated and will assist in ensuring a secure future for over one hundred families currently displaced in Africa.

Please find attached my letter of appeal, which will clearly outline my experiences in Africa and hopefully allow you to understand why I am so passionate about this cause and exactly what your donations will be contributing to. It is **your support** that will assist us in providing hope for and changing the lives of over one hundred families.

Thank-you and I look forward to hearing from you soon.

Regards,

Monique Psaila
